

## How To Order Multiple Novels from Blurb

1. Students follow the directions to create a book. We have instructions for different pathways here: [ywp.nanowrimo.org/pages/blurb](http://ywp.nanowrimo.org/pages/blurb)
2. When book is created, students click "My Dashboard" in the upper right, and see a page that looks like this:

3. Then, students click the blue "share" link by their book, and send that link to the teacher (or anyone else interested in purchasing their book).
4. When the teacher clicks the link (from their own Blurb account), they see this page, and can add the book to their cart:
